They have produced many praise and worship albums that have been spread all over the globe, bringing the word and songs from Zion to the uttermost places of the earth. Networking with leaders from all over the world, they work to bring unity and understanding, building bridges connecting Israel to the nations. For the last seven years they have hosted the Succot Celebration each year in Jerusalem.

**REZA F. SAFA**

**FOUNDER/PRESIDENT –  
TBN NEJAT TV**

Reza Safa was born into a Shi'ite Muslim family in the Middle East. He became a

devout and practicing Shi'ite, observing the laws and regulations of Islam. He fasted during the month of Ramadan and prayed five times a day.

After his graduation from high school, Reza felt an emptiness nagging at him. His search for truth led him to leave his homeland. Reza settled as a student in Sweden, where he heard the message of the gospel for the first time in his life. Reading the Bible in his native language and experiencing the love of God through Christian friends, Reza finally gave his life to Jesus.

In 1990, Reza Safa founded The Harvesters World Outreach, a worldwide evangelistic and healing ministry. Since then he has held crusades and pastors' conferences in over 50 countries. People from all religions, especially those from Muslim and Hindu backgrounds, have turned to Christ through his outreaches.

He is President of TBN NejatTV, a fulltime satellite TV network in the Farsi language, which was launched in 2006. Three to five million Iranian Muslims have come to Christ as a result of Christian TV. Over eighty churches have been established in Iran, and satellite TV is being aired in areas in the Middle East where no person or other means has the ability to reach out with the gospel of Jesus Christ. A door has been opened by God to preach the Gospel there, and no government or religious organization can close it.

*"Be strong and of good courage; for you shall bring the children of Israel into the land of which I swore to them, and I will be with you."*

Deuteronomy 31:23

*Changing Lives! Reaching out to those in need!*
